

GEORGIA BIOMEDICAL INSTRUMENTATION SOCIETY

A Society for Georgia BMET's and Others Involved in Healthcare Technology

Georgia Biomedical Instrumentation Society's Annual Membership Meeting and Technical Conference

September 25-27, 2008 — Anderson Conference Center, Macon, GA

Why You Should Register...

***Pre-conference Leadership Summit (Sept 25th)**

Biomed Managers and Supervisors are invited to participate in a moderated discussion of inspection preparation strategies and sharing of best practices.

***14 Seminar Courses to Choose From**

Topics will include: customer skills, anesthesia equipment, ventilators, networking, surgical microscopes, dialysis, management of ultrasound assets, and CBET exam review.

***Large Vendor Exhibit Hall**

Space for more than 50 booths; exhibitors geared specifically to the biomedical community.

***Annual Awards Dinner (Sept 26th)**

GBIS will recognize the 2008 Biomed of the Year; be there to honor the contributions and achievements of deserving colleagues. Nomination forms available online.

When You Should Register...

Register prior to September 1st, 2008 to qualify for the early registration discounts. Be sure to reserve your seat in classes as soon as possible—space is limited and will be allocated on a first come/first serve basis.
